| Depth     |                 |
| Length    |                 |
| Ring Size |                 |

"Butterfly is a minor crest figure and sometimes appears simply as decoration. The butterfly is increasingly popular today. Artist such as Robert Davidson have created modern aesthetic innovations of Butterfly motifs in their work" (*Shearer 2000: 24*). - *Understanding Northwest Coast Art: A Guide to Crests, Beings and Symbols*
