**(Available Framed \$1,200 measure 36 1/4" H x 35" W x 2 1/4" D)**

Moon is associated with peace and transformation and is also widely regarded as a protector and guardian spirit. In some stories the Moon originated as chip of the Sun, which Raven broke into pieces. Moon is often depicted with humanoid features and can be distinguished from the Sun by a labret in its bottom lip indicating female nobility.
