“The beaver, well known for its industriousness and building skills, is a common inhabitant of the Northwest Coast region...Beaver appears in Northwest Coast mythology and is a crest in many regions...In Haida mythology and art, Beaver has a prominent place. Along with Raven, he is intimately connected with Snag, Sea Wolf, Sea Bear and other powerful beings of the undersea world.” (Shearar 2000:20-21) – *Understanding Northwest Coast Art: A Guide to Crests, Beings and Symbols*
