<b>Length</b>	3"
<b>Width</b>	1.5

Not kept on premiss for insurance purposes please call in advance to view.

Reid's earlier work was in part characterized by his study of Haida artist and Chief, Charles Edenshaw. This particular brooch is styled after an Edenshaw tattoo design and here you can see the original sketch, which is part of the permanent collection of the American Museum of Natural History (AMNH) in New York City.

When Reid completed this Dogfish Brooch he told the owner he felt that this was the best piece that he had done to date.
