**BARTLETT-HOLLIE--KILLER WHALE PENDANT-310-
CAD**

\$310 CAD

Length	1.25
Width	0.5
Medium	Sterling Silver

Killer Whales are widely considered clan ancestors. Living in human form in undersea villages, killer whales are often thought to be the reincarnations of great chiefs and are associated with wealth, unity and travel. Some prominent characteristic traits of Killer Whale are a rounded snout, blowhole, a dorsal fin, pectoral fins and a tail.
