TLINGIT BASKET, AMBER/MIDNIGHT**

**\$11,000.00 CAD**

---

<b>Diameter</b>	8"
<b>Height</b>	8"
<b>Medium</b>	Glass

Tlingit glass artist Preston Singletary is well known for these beautiful basket forms. He references objects like the traditional spruce root baskets from his Tlingit heritage in his glasswork as a way of rethinking, and re-contextualizing the item. In doing so he imbues these pieces with the elegance and beauty that the traditional woven forms are so well known for.
