**The bowl of this spoon is carved on both the front and the back. This is unusual. Most feast spoons have carved handles but the bowl is left untouched.**

Raven is central to coastal mythology. As a culture hero, a transformer, and a trickster, his adventures at the beginning of time released the sun and the moon and brought the world into existence. Raven is identified by its straight beak and lack of ears or plumage on the head.

Killer Whales are widely considered clan ancestors. Living in human form in undersea villages, killer whales are often thought to be the reincarnations of great chiefs and are associated with wealth, unity
