**ARTIST UNKNOWN (GITXSAN)
FIREWEED CREST FEAST LADLE**

\$2,500.00 CAD

Dimensions	13.5 × 3.5 in
Length	13.5
Depth	4"
Width	3.5
Medium	Cow Horn

The Fireweed design incised on the handle of this Cow Horn spoon suggest it to be of Gitxsan origin. Fireweed (kisqaha·st) is one of the four clans of the Gitxsan with the equivalent in other Tsimshanic groups being Killer Whale (Halpin & Seguin 1990: 276).
